Data sources: River Valleys CoC Coordinated Entry Monitoring Report (HMIS) and non-HMIS priority list. Report period January 1-December 31, 2021.

OUTCOMES

Housing destinations at exit from Coordinated Entry

Examples of destinations

- Positive: Homeless-designated housing, other permanent housing (not homeless-designated)
- Neutral: Household moved outside CoC area, Health/treatment facility stay
- Negative: Homelessness, Exits without housing plan after property management denial
- Unknown: Unable to contact, Client refused

★ Indicates data points of note, indicating key differences in comparison to overall population of persons experiencing homelessness or between subpopulations or counties.
